Then, everyone hits their next shot from that spot. The team repeats the process again until they finish the hole. You record the team's score and continue playing each hole the same way.

Thank You

Since SCT&I's inception in 1997, this Golf Tournament has been made possible by generous donations in many forms. We have had wonderful corporate sponsors and many participants who have donated to our cause, but the one area of donation that gets overlooked is our volunteers. We have had a rich history of chairpersons and committee members who have donated untold sums of time and energy to this event and we would like to take a moment to thank each and every one of them who has sacrificed their time, to aid in, what we believe to be a more than worthy cause. So from this committee and all that have come before, we thank you very much.

“
The knowledge, effort, and wisdom our committee brings to this event is the reason why we have been so successful throughout our long history. To our many sponsors, we value and appreciate your contributions over the last years, and thank you for making this year's edition of the SCT&I Golf Tournament another huge success.

-Jeremy Gauthier, Committee Chair
